Greenlight a Vet: Green in the color of **Hope, Renewal and Well Being**. This month, communities are shining green lights on porches and windows to show support for our Vets.

Greetings!

Today is **Veteran's Day**. A day for us all to stop and thank a Service Member for defending our country and our freedoms.

And we thank the military families, who also serve, providing courage and support at home. **Thank you to all our Veterans.**

Giving Thanks

In the spirit of giving thanks, we want to send a heartfelt thank you to Willy Rowand for his generous donations of tennis balls and socks with which we made the Stillpoint Activators for our clients. Our team has been distributing them to clients who are benefiting greatly. Thank you, Mr. Rowand!

And we also want to thank Kathy Dickson, Kevin Reilly and Paula Curtis for hosting a sound meditation Gong benefit for Healing Warriors Program at the Windsor Community Recreation Center. Funds raised will provide clinic sessions for our service members. We are very grateful for your support.

This year, we are participating in the Guidestar **Day for the Brave** Campaign. We invite you to [support our Veterans](#) on this Veterans Day by helping us provide much-needed, non-narcotic

Fort Collins Veterans Stand Down

We were honored to participate in the Fort Collins Veterans Stand Down on 11/6 at Catholic Charities. Our services were in high demand and our team stayed long past the shut down time for the event in order to provide services for all who wanted a Healing Touch session. We thank Catholic Charities and the VA team for putting together such a well-attended event.

Yellow Ribbon Post Deployment

The weekend of 11/6 - 8th the Healing Warriors Program team had the opportunity to participate in a Yellow Ribbon Post Deployment reintegration weekend providing free sessions for returning soldiers and their families on both Saturday and Sunday. It was an honor and a privilege to serve our returning service members. Welcome home, soldiers.
